Reason(s) for selecting Crossway Christian Academy for your child's education _____

At Crossway Christian Academy the Bible is the foundation of our education program and is woven into everything we do. Recognizing that the primary responsibility for education rest with parents, Crossway Christian Academy exists to support parents in their Biblical responsibility to nurture and train their children in the ways of the Lord (Ephesians 6:4). We do not exist simply to educate Christian youth, but to offer a Christian education to Christian families. Based on this information, which is taken from our mission statement and admission policy, we expect one of both parents to be professing Christians and regular attendees of a Bible-believing church. We believe this is a necessary ingredient for Christian parents as they "train up their children in the way they should go" (Proverbs 22:6). In addition parents must also understand and accept our school mission, method and program.

Please explain below what it means to have a personal relationship with Jesus Christ, and include your own personal testimony of how you came to know Him as your Savior. (You may be asked for more information during the parent interview).
